With Evan Powell

## Partnering with:

Since 1955, B&R has built a reputation for excellence in the design and manufacture of enclosures. As a 100% Australian, family-owned business, B&R champions the virtues of quality, service and value. Combined with our unrivalled industry and application knowledge, we are in a unique position to meet the needs of our clients.

## Topics of the event:

This workshop covers six essential steps for a smooth, levelled supply chain. From setting baselines and goals to demand analysis, optimisation, condition monitoring, phased implementation, and continuous improvement. You'll learn to align your organisation's focus, minimise excess inventory and foster a culture of operational excellence.
